- Prior to the preparation of the draft report dated 10th August, 2015, the Ministry failed to present the register in relation to the expenditure in 2012, in its absence, the total number of expenditure vouchers relative to the expenditure totalling \$99,706,408 could not be determined.
- Two hundred and forty nine (249) expenditure vouchers representing an expenditure of \$200,490,625 for 2012 were presented for audit. An examination of the vouchers revealed, that only two hundred and ten (210) vouchers representing expenditure totalling \$76,649,977 was related to the Fund. - (8) Items Purchased during 2014 were delivered and accounted for at the National School of Music a department of the Ministry and <u>not</u> to the Ministry's main stores located on Main street, Georgetown, contrary to Sections 45 of the Stores Regulations.

It could not be determined whether the remaining equipment purchased was taken into immediate used.
- There were no records at the Stores showing the receipt and issuing for the purchase of Steel pans valued at \$ 3,000,000, except for the delivery notes presented by the Administrator of the National School of Music for two (2) sets of nine (9) pieces Steel Pan with Drum Sets and Cymbals (Music Equipment) delivered to the Berbice High School and President College respectively.

COMMENT TO MINISTRY'S RESPONSE

• The Ministry of Education, Department of Culture Youth and Sports was required to respond to the Draft Report since the 28thAugust, 2015. The late submission of the response which is dated 15th September, 2015 did not afford enough time for further follow up checks to verify those corrected measure which the Ministry claim was taken in its response.

The Comprehensive Report dated 16 September, 2015 for the Forensic Audit for the period mentioned above was submitted. However, As a result of new information made available by the Ministry of Education, Department of Culture Youth and Sports between the dates 08/09/2015 and date of the Final Comprehensive Report new findings were revealed.

NEW FINDINGS REVEALED AS A RESULT OF THE SUBMISSION OF INFORMATION BETWEEN 08/09/2015 AND DATE OF FINAL COMPREHENSIVE REPORT – 2012

EXPENDITURE FINDINGS

• The Ministry subsequently presented on the 8th September, 2015 at approximately 10:10 AM, two hundred and Nine (209) payment vouchers for 2012 representing a total expenditure of \$70,114,906. The expenditure in relation to the unpresented payment vouchers could not be verified to date 16th December, 2015.

(Refer to Appendix 14)

- An analysis showing what funds were spent on as per cabinet decision was not provided by the Ministry. All payment vouchers were analysed by the Forensic Auditor, which proved time consuming. Such analysis could have been systematically prepared by the ministry on a continuous basis to save time in anticipation for audits, to account for the stewardship of funds.
- A large percentage of the payment vouchers were not properly completed, tender board references were left out, searches had to be made for missing references to that the expenditure were properly authorized.
- The slow pace in which the documents were supplied, the incorrect documentation submitted which required queries and correction, poor record keeping and poor management of documents, information requested which had to be requested repeatedly, information and documents required not presented in time, missing, or not in existence. Coupled with none compliance and the non cooperation of staff who pretend to cooperate, but took their own time to supply the information or documents required. All proved very time consuming and frustrating, and made the audit very difficult.
- \$787,453 paid to Design & Construction Services Ltd as Supervision fees for the construction of the 1823 Monument base, included in the payment capital contracts totalling \$ 6,624,119 exceeded the MTB Limit for which the reference were not indicated on the PV and the MTB authority was not seen.

- NPTAB references were not attached or indicated on the payment vouchers # 4406119 and # 4403811 paid \$1,180,590 and \$3,239,106 respectively for Global Printing & Graphics Inc. Queens Atlantic for the Production of Art Catalogues and GINA for advertisement of Science Exhibition.
- Fourteen (14) instances totalling \$11,753,600 were observed in 2012 where funds allocated by Cabinet for specific expenditure was misallocated and utilised for purposes for which it was not intended

NEW FINDINGS REVEALED AS A RESULT OF THE SUBMISSION OF INFORMATION BETWEEN 11/09/2015 AND DATE OF FINAL COMPREHENSIVE REPORT – 2013

EXPENDITURE FINDINGS

- \$94,203,302 reported in the Estimates of the Public Sector for the year 2013 was expended from the Budgeted of \$100M. However, expenditure amounting to \$99,773,615 were recorded in the payment voucher register, the surplus (difference) of \$5,570,313 represented by thirty (30) was incorrectly included.
- Expenditure of \$ 94,203,302 in 2013 were represented by one hundred and twenty four (120) payment vouchers. Eighty (80) payment voucher representing expenditure of \$27,394,862 were submitted prior to 16 September, the date of the Comprehensive report. (Refer to Appendix 15)
 - Forty payment vouchers representing expenditure of \$66,798,440 were still outstanding as at the date of the Final Comprehensive Report.
- Approved capital provision of \$57,564,793 to cover the expenditure for Industrial
 Fabrication Inc. and Consultancy Services was recorded as expended from the Sports and
 Arts Development Fund in December, 2013 by the Ministry. However, documentation for
 the amount was not provided for audit.
- The expenditure register for 2013 included two unpresented payment vouchers which totaled \$57,564,793, one payment for \$56,714,082 was prepared in favour of Industrial Fabrication Inc & Consultancy Services and the other payment of \$850,711 in favour of Innovative Engineering Consultancy Services
- A Bank of Guyana Cheque No. 05-4516557 for \$56,714,082 drawn by the Ministry in 2013, was deposited to the Project Special Bank A/C No. 01626004000 on the 20 May, 2014 on a Bank of Guyana deposit slip No.33-675053, for which a receipt 3H No.574720 D dated 20th May,2014 was issued. The unexpended balance of the public moneys issued out of the Consolidated Fund reported in the Auditor General's 2014 report, should have been returned and surrendered to the Consolidated Fund at the end of

- the Fiscal year, 31 December, 2013 as prescribed by Act no. 20 of 2003, Section 43 of the Fiscal management and Accountability Act 2003 assented on 16 December, 2003.
- Section 43 of the Fiscal Management and Accountability Act 2003, requires that any unexpended balanced of public moneys issued out of the Consolidated Fund be returned and surrendered to the Consolidated Fund at the end of each fiscal year. The deposit of the \$56,714,082 into the Project Special Bank Account is therefore a breach of Section 43 of the Fiscal Management and Accountability Act 2003, Act no. 20 of 2003,
- An explanation was not given as to why the unexpended balance of the Public moneys in the sum of \$\$56,714,082 was not returned and surrendered to the Consolidated Fund at the end of the Fiscal year as at 31December,2013. And or why the amount of \$56,714,082 was deposited to the Project Special Bank A/C No. 01626004000
- Further, to date 30 November, 2015 the Ministry could not account for the difference of \$850,711 of the amount \$57,564,793 released and expended in 2013 for Industrial Fabrication Inc and Consultancy Services.
- Relevant to the unexpended balance of the Public moneys not returned and surrendered to the Consolidated Fund at 31December, 2013. An observation made on the 13 November, 2015 substantiates reasons for the breach of Section 43 of the Fiscal management and Accountability Act 2003 and the avoidance of those restrictions imposed in the Government financial regulations.

A payment voucher PV CB 972 paid by cheque 04-954930 drawn on the 21/08/2015 for the payment of \$125,424 to Antarctic Maintenance for the Repair of one 5-ton duct split A/C unit which was submitted for The Forensic Audit, was requested (borrowed) on 12 November, 2015 at approximately 13:00 Hours by a staff of the Ministry's Account section, on the return of the payment voucher on the 13 November, 2015 at approximately 15:07 Hours, it was observed that a payment was effected on the 12 November, 2015 to the representative of the Contractor (a Ms. Sade Barton) holder of ID card # 126424563 on an authorisation, for which a receipt No.4835 dated 12 November, 2015 was issued. From observation the Payee had signed as receiving the cheque on the 17 October, 2015. An explanation was sought, as to why the receipt was issued on the 12 November, 2015 when the payment voucher was the 17 October, 2015. The accountant responsible for the Ministry's accounting section claimed that the payee had mistakenly signed the wrong date and promised to recall the payee to correct the payment voucher. A question was asked as to why the Ministry's Accounts Department was not diligent enough to allow the payee signed the correct date on receipt of the payment. An explanation was not given.

An Auditor's note was made on the voucher and the accounting staff of the Ministry was ask to initial the auditor's note.

The Audit proved very time consuming, frustrating, and difficult as a result of similar reasons below:

- Tuesday 03/11/2015 at approximately 15:40 hours the Ministry presented a list of expenditure payment vouchers amounting to \$49,682,845 paid from the Special Project Fund Bank A/C No. 01626004000 which included the payment of \$5,190,880 to Cummings Electrical Co. for rewiring the Building NCC, \$27,808,596 to Antartic Maintence for Installation of new Air condition unit in 2015 and \$2,560,540 to Antartic Maintence for the repairs to air condition unit in 2014. The total payments of \$35,560,016 for capital works and the total of \$14,661,929 expensed for the preparation of the Caribbean Development Bank Conference held at the NCC, which totaled \$50,221,945 paid from the amount of \$56.714,082 deposited to the Project special bank account 20 May, 2014.
- On Wednesday 11/11/2015 at approximately 11.50 am a new list was submitted, cancelling the first. Six payment vouchers were presented representing payments totalling \$36,711,209 and forty one payment vouchers amounting to payments of \$14,246,029. Work done on the previous schedule had to be cancelled and or re-done.
- The Ministry continues to inappropriately make unrelated payments from the Project Special Bank Account No. 01626004000 held at the Bank of Guyana, which it operates for the receipt of funds from UNICEF, UNFPA, DIGICEL, Republic Bank and The Guyana Lotteries Commission from which related expenses are met. The balance of this account as at 31 December, 2013 was \$15.108M while the cash book Balance was \$9.795M.
- Included in the total expenditure of \$94,203,302 for 2013 were four contracts totalling \$16,219,093 which included a payment for \$364,000 for which an MTB award was not seen, nor indicated on the payment voucher and other documents. Also the payment voucher for the payment \$866,000 for the construction of guard Hut 1823 Monument was not completed to include the MTB reference.
- It should be noted that all payment documents should be accurately completed and properly examined prior to effecting payments. Incomplete payment vouchers may lead to financial irregularities and may prove time consuming and frustrating in the search for information relevant to the verification of the accuracy and validity of transactions.
- US\$ 2,200 was purchase for payment of honorarium in the sum of \$462,000 for two
 Argentine Guitarists on a tour to Guyana from 25 May to 4 June 2014 was misallocated
 from funds transferred Project Special Bank Account for CDB expenses. An MTB
 reference was not indicated on the payment voucher, and MTB award authorizing
 payment was not seen.

NEW FINDINGS REVEALED AS A RESULT OF THE SUBMISSION OF INFORMATION BETWEEN 29/10/2015 AND DATE OF FINAL COMPREHENSIVE REPORT – 2014

EXPENDITURE FINDINGS

- The Ministry continues to inappropriately make unrelated payments from The Project Special Bank Account No. 01626004000. Two examples to substantiate this fact are vouchers Nos. 82 & 83 for the payments of the sums of \$300,000 and \$200,000 which totaled \$500,000, paid by cheques No.321593650 and 321593651 on the 16 May, 2014, from the Project Special Bank Account cash book, was recorded by the Ministry in an analysis of payment for 2014, as if made on the 19 May, 2014. Before the deposit of the unspent balance of \$56.714,082 to the Project special Bank Account on the 20May,2014 in provision for the expenses of the Caribbean Development Bank Conference held at the National Cultural from the 27 May to 29 May,2014.
- The schedule of expenditure for 2014 reported a total expenditure of \$96,767,479 in conformity with the estimates of the Public Sector for 2014, however, the Register recorded the total expenditure of \$99,160,581 showing a difference of \$2,393,102. An explanation was not given for the disparity.
- Expenditure totalling \$99,160,581 for 2014 were represented by two hundred and fifty four (254) payment vouchers. However, one hundred and forty three (143) payment vouchers representing expenditure in the sum of \$34,002,957 were listed and submitted for audit between 8 September, 2015 and the date of the Final Comprehensive Report, without a detail analysis of the expenditure, accounting for and classify those expenditure in accordance with the Cabinet decisions. (Refer to Appendix 16)
- In addition, forty three (43) payments totalling \$17,121,569 were made for 2014 from funds transferred to Project Account, which included a payment for \$2,560,540 for the repairs to air condition units at the National Cultural Centre and the purchase of one digital station module to replace the damaged units of the Ministry's PBX (Telephone) system for the sum of \$315,000. And forty one other payments totalling \$14,246,029 which comprised expenditure for CDB conference in May,2014. Bringing the total expenditure for 2014 to \$51,124,526, represented by a total of one hundred and eighty six payment vouchers submitted. (Refer to Appendix 16)

 Relevant to payments made in 2014 from the unspent balance of \$56,714,082 in 2013 transferred to the Project Account, the following observations with regards to split in the avoidance of the adjudication of the National Procurement and Tender administration Board and the Misallocation of funds were made.

 There were six (6) instances of split contracts totalling \$2,909825 paid for Interior /exterior repairs/painting at NCC, purchase of fabric and leatherette to effect the repairs of 400 chairs at NCC

There were two (2) instances of the Misallocation of Funds totalling \$2,875,540 paid

- from the unspent balance of \$56,714,082 allocated to Sports and Arts development fund from the Consolidated fund and transferred to project account, one for the purchase of two 20 tons compressors for NCC and the other was for the replacement of the damaged expansion unit /code & one digital station module to the MCYS PBX system.

 Provision for the purchase of the compressors was made under capital head 7011-Purchase of Equipment for NCC under 1205600- Cultural Centre, while for the purchase of the expansion unit /code & one digital station module for the MCYS PBX system was provided for under Purchase of equipment for MCYS 1206600- Cultural Centre. Additionally there were nineteen (19) other instances in 2014 totalling \$4,045,926 where funds allotted by Cabinet decisions for specific expenditure was misallocated and
- An observation was made where a payment of \$ 300,000 included in the expenses of \$4,725,901 for Accommodation/meals /refreshment was made using a quotation which did not show how the payment on the payment was derived.

BACKGROUND

The Government of Guyana is carrying out physical reviews of the Ministries, Departments, Statutory bodies and Projects to determine the accuracy of record-keeping, the degree of accountability, transparency and efficiency of state resources. In this regard, the Ministry of Education, Department of Culture, Youth and Sports was identified for a Forensic Audit and Review of its program for the period January 01, 2012 to May 31, 2015.

The Ministry has been renamed the Ministry of Education, Department of Youth and Sports after the May 11, 2015 general elections.

The Sports and Arts Development Fund was established by the Government of Guyana in 2007. The aim of the Fund is to advocate, develop and invest in culture and sports to enrich the lives of Guyanese. In so doing, the Government of Guyana has allocated annually an amount in the sum of \$100M to a Fund that was established for the development of sports and art.

An executive decision-making committee was created within the Ministry of Culture, Youth and Sports with responsibility for the administration of the Fund.

The executive decision-making committee is comprised of:

- (1) A chairman- in the person of the Permanent Secretary within the Ministry,
- (2) The Director of Culture and
- (3) The Director of Sports.

While the Minister provides the oversight responsibility for the management of the fund, and submits all proposals to Cabinet for approval, in the effort of ensuring accounting practices, utilizes the skills of the Head of Budget Agency for accounting purposes.

OBJECTIVES AND SCOPE OF THE FORENSIC AUDIT AND REVIEW

The objective of the Forensic Audit is to ascertain whether there was value for money in the use of Fund, the accuracy of record keeping and the degree of accountability.

The Audit was conducted in accordance with International Auditing Standards and Best Practices eg. (Auditing standards issued by the International Federation of Accountants (IFAC).

The audit took into consideration the establishment and maintenance of critical accounting records along with the internal control structure that supported the administration of the Fund that would allow the auditor to access whether it forms a reliable basis for transparency and accountability.

OPERATION OF THE FUND

The Ministry has a policy board chaired by the Honorable Minister. Proposals for Sports and Art Development are tabled at meetings held by the board. The Minister directs that all cabinet paper, includes a budget, to which is attached a covering letter by the Head of Budget Agency for the cabinet to include in their agenda. Cabinet decides inclusion or expulsion and "copies to the World". On receipt of Approval, Funds are released by the Ministry of Finance. The Ministry establishes a register for every Cabinet approval.

Annually project proposals for the development and maintenance of culture and sports are submitted to ministry from various institutions, organizations or individuals. The submission of proposals is required to be done on or before August of the preceding year in order to facilitate discussions on the proposed projects with the Ministry of Finance, paving the way for approval and implementation of the projects. On approval of the budget for the current year, those institutions, organizations or individuals who submitted project proposals are informed of the approval of their respective projects.

Outflows from the Fund require Cabinet approval and expenditure must be made in accordance with the Government's Financial Regulations and procurement provisions. On implementation, projects are expected to be monitored until completion.

SYSTEM USED TO PROCESS FUNDING OF PROJECT UNDER THE SPORTS AND ART DEVELOPMENT FUND. (SYSTEM DOCUMENTATION)

The system that is used to process funding is as follows:

- Because of the nature of the fund (Sports and Art Development) the directors, both the Culture and Sports programmes are considered sitting members of a three man committee-with the Permanent Secretary –the Chairman
- Depending on the type of project (Sports and Art Development) proposal will first be submitted to the respective directors for review.
- If the project is recommended by the directors, it is sent to the Permanent Secretary/ Chairman for review of the plan, inclusive of budget.
- The team (Directors(s), Permanent Secretary will then table the project at the Senior Management meeting chaired by the Honorable Minister.

- The Honorable Minister then directs if the project is to be considered for funding, if so then a Cabinet Paper is prepared.
- The Minister submits a Cabinet Paper for Cabinet consideration and approval.
- If Cabinet Paper is approved, the Permanent Secretary then instructs the PAS-F to make funding available.

In Addition to the above system documentation, the following information were supplied in the Ministry's Response to the Forensic Audit of the Sports and Art Fund on the 15th September, 2015.

Approved projects/ proposals are sent to the Principal assistant Secretary- Finance who ensures that the requisite funding is available before the payment proposal is prepared by the preparation clerk. The preparation clerk then prepares the payment voucher which is attached to the proposal, which identifies the payee, the amount to be paid and the purpose for the payment. The payment voucher is then entered in the Sport and Art register, it is then given a number before going to the examination clerk to be examined. The examination clerk conducts a thorough check on the voucher before it is sent to be entered into the IFMAS.

After being entered into IFMAS, the voucher has to be approved by a senior clerk before the cheque is made available for payment.

2. EXPENDITURE FINDINGS PRIOR TO DATE OF COMPREHENSIVE REPORT EXPENDITURE FINDINGS - JANUARY – DECEMBER 2012

The Ministry of Education, Department of Culture, Youth and Sports prior to the preparation of the draft report dated 10th August, 2015 failed in its effort to present for audit examination, a

register in relation to expenditure being met from the Fund. In the absence of the register the total number of expenditure vouchers which recorded the total expenditure of \$99,706,408 for the year could not be determined.

A request was made for the payment vouchers and the total of two hundred and forty nine (249) expenditure vouchers in the sum of \$200,490,625 (Refer to Appendix 5)

were presented for audit. However, on the examination of the vouchers, only two hundred and ten (210) of the vouchers with a value of \$76,649,977 could have being determined as being related to the Fund.

the other thirty nine (39) vouchers which represented expenditure totaling \$123,840,648 showed no relation to the Fund.

It should be noted therefore, that in the absence of the register then, the total amount expended from the Fund for the year 2012 could not be accurately be ascertain.

MINISTRY'S RESPONSE

The Ministry in its response dated 15th September, 2015 stated that the total of ninety six million, seven hundred and sixty seven thousand, and four hundred and seventy nine dollars (\$96,767,479) was spent from the Sport and Art Fund for 2012. And that the difference that was not utilized was taken into the Consolidated Fund.

COMMENT TO MINISRY'S RESPONSE

A schedule showing a breakdown of the expenditure for The Sports and Art Development Fund presented on September 8, 2015 showed the total expended as \$99,706,408. (Refer to Appendix 10 - Client's document)

The Ministry explained that unspent amount was taken back into the Consolidated Fund for which unlike deposits, a receipt is not normally issued.

Several requests were made for the Sports and Arts Development Fund register, but as at the date of draft report 10th August, 2015 this expenditure record was not presented for audit. An explanation for its non submission was not provided..

In attempting to account for the total expenditure for 2012 the Ministry presented the IFMAS Account Analysis Report for the year ending 31 December, 2012 which reported the total of \$100,256,588 expended under line item 6321. While the Budget Detail Report accounted for the total Current budget of \$100,700,000 for the same period. An analysis of the IFMAS Account Analysis Report for the year ending 31 December, 2012 revealed that the expenditure for all subactivities under Programme 2, including the expenses for the sub-activities for the Sports and Art Development Fund were grouped under activity code 4420101- Programme Administration. As a result, the actual expenditure incurred and or associated with the Sports and Art Development Fund at any given and at the end of the period could not be ascertained.

Further, Audit checks conducted revealed also, that a system was not put in place and maintained to track the expenditure (payments) made in accordance with Cabinet Approvals. Therefore, the expenditure incurred for 2012 in accordance with cabinet approvals for the same period, could not be verified.

Based on queries made, as to the system implemented by the Ministry to account for the expenses incurred for the approved project/proposal for 2012.

A schedule showing a breakdown of the expenditure for The Sports and Art Development Fund for 2012 was finally presented on September 8, 2015. (Refer to Appendix 10 - Client's Document)

⁽¹⁾ The total amount Budgeted in 2012 was \$100,000,000 while the total expenditure amounted to \$99,706,408

⁽²⁾ The total amount approved by cabinet amount to \$106,414,796. The schedule reported a difference of \$850,019 in the total cabinet approval, resulting from the exclusion of Cp (2012) 5;1:EE for Inter-

Guyana Culture Festival in the sum of \$741,863 and the difference of \$108,156 in conversion of the Bank of Guyana exchange rate. It should be noted that the works on the 1823 Monument commenced in 2012 and was completed in 2013.

As a result, the accuracy and the validity of the amounts paid could not be determined since in the absence of the unpresented vouchers, there is no supporting documentation in support of the payments.

EXPENDITURE FINDINGS - JANUARY - DECEMBER 2013

Prior to the preparation of the draft report, the total of one hundred and ninety seven (197) expenditure vouchers in the sum of \$155,917,555 were presented was presented without the register. (Refer to Appendix 6)

On the examination of the presented vouchers it was found that only ninety six (96) vouchers to the value of \$15,973,819 represented payment for expenditure related to the Fund. While one hundred and one (101) vouchers totaling \$139,943,736 showed no relation.

MINISTRY'S RESPONSE

The Ministry in its response to the draft report dated 15th September, 2015 stated that the unrelated vouchers referred to in appendix 6 are payments for National trust, Professional Sports Programme and Castellani house that are released under the same line item. (6321)

COMMENT TO MINISRY'S RESPONSE

The Ministry needs to urgently implement a specific cost centre code to differentiate expenditure related to the respective sub- activity under 4420101- Programme Administration under line item 6321 to facilitate the accurate classification of expenditure and the generation of accurate reports for all sub- activity at a given time.

The Ministry of Education, Department of Culture, Youth and Sports subsequently presented the register for 2013 on the 17 August, 2015 as a result of continued requests and follow ups.

The register recorded payment vouchers, representing expenditure for the year totaling the sum of \$99,773,615.

An examining the expenditure register, also revealed, that payments related to the Sports and Arts Development Fund were made from the Special Project Account No. 01626004000.

The Special Project Account received funding from various agencies such as UNICEF, UNFPA, DIGICEL, Republic Bank and the Guyana Lotteries Commissions. However, the total

expenditure paid from the Special Project Account for Sports and Art Development could not be determined. Further, resulting from inadequate record-keeping it could not be ascertained what amounts were refunded to the Special Project Account.

The Ministry prior to the dated of the draft report dated 10th August,2015 presented an IFMAS Account Analysis Report for the year ending 31 December, 2013 which showed an amount totaling \$117,488,211 expended under line item 6321, while the Budget detail report accounted for the total Current budget of \$117,488,211 for the same period. Similarly, as in the case of 2012 the expenditure for all sub-activities under programme 2, including the expenses for the sub-activities in relation to the Sports and Art Development Fund, were grouped under activity code 4420101- Programme Administration. The actual expenditure incurred and or associated with the Sports and Art Development Fund for 2013 or at a given time could not be ascertained.

Additionally, audit checks also revealed, that a system was not maintained by the Ministry to systematically track the expenditure (payments) made in accordance with Cabinet Approvals. Therefore, the expenditure incurred for 2013 in accordance with cabinet approvals for the same period, could not be verified.

Based on queries made, as to the system implemented by the Ministry to account for the expenses incurred for the approved project / proposal for 2013. A schedule showing a breakdown of the expenditure for The Sports and Art Development Fund for 2013 was finally presented on September 8, 2015. (Refer to Appendix11-Client's Document)

Inc. and Consultancy services which amounted to \$57,564,793, included in the total expenditure of \$99,773,615 for 2013 for which a cabinet approval was not seen, was due to due to a court order brought against the Minister of Culture youth and Sports by Antarctic Maintenance and Repairs, the project was re-advertised by way of Restrictive Tendering which saw two contractors bidding for the work. Tender board approval was given in 2014 for Antarctic Maintenance and repairs to carry the installation of new conditioning units at the National Cultural Centre.

COMMENT TO MINISRY'S RESPONSE

Tender board approval which the Ministry claimed was given in 2014 for Antartic Maintenance and repairs to carry the installation of new conditioning units at the National Cultural Centre was not seen.

EXPENDITURE FINDINGS - JANUARY – DECEMBER 2014

A register was presented for the year 2014 which recorded expenditure voucher representing the total expenditure for 2014 in the sum of \$99,160,581

MISSING VOUCHERS

Prior to the preparation of the draft report dated the 10August, 2015. A physical examination was conducted on the vouchers presented for 2014 in conjunction with payment vouchers register, to verify that the expenditure vouchers were recorded in the expenditure voucher register.

The examination revealed then, that one hundred and five (105) payment vouchers representing payments from the Sports and Art Development Fund amounting to \$61,836,338 (Refer to Appendix 7)

were not presented for Audit examination. As a result, the accuracy and validity of the amounts expended in the sum of \$61,836,338 representing missing vouchers could not be verified.

Similarly, as was in the case of 2012 and 2013, the IFMAS Account Analysis Report for the period ending 31 December, 2014 reported expenditure totaling \$139,699,052 under line item 6321, while the Budget Detail Report accounted for the total Current budget in the sum of \$140,690,000 for the same period. It was also observed that the expenditure for all the subactivities under Programme 2, including the expenses for the sub-activities for Sports and Art Development Fund were grouped under activity code 4420101- Programme Administration. As a result, the actual expenditure incurred from the Sports and Art Development Fund for 2014 could not be ascertained.

MINISTRY'S RESPONSE

The Ministry in its response dated 15thSeptember,2015 stated that although Cabinet approved the sum of one hundred and sixteen million, one hundred and eighteen thousand and ninety seven dollars (\$116,118,097) only ninety four million, one hundred and eighty one thousand, six hundred and four dollars (\$96,181,604) was expended in 2014.

COMMENT TO MINISRY'S RESPONSE

It should be noted that the register presented for the year 2014 recorded expenditure voucher representing the total expenditure for 2014 in the sum of \$99,160,581. A schedule of expenditure which was requested on 13th August, 2015, 28th August, 2015 and 8th September,2015 was subsequently submitted on the dated of finalising the Comprehensive Report on the 16th September, 2015 at approximately 13:15 hours.

It was observed that the schedule of expenditure for 2014 reported a total expenditure of \$96,767,479 in conformity with the estimates of the Public Sector for 2014, while the Register recorded the total expenditure of \$99,160,581. An explanation was not given for the disparity and the difference of \$2,393,102. (Refer to Appendix 12 Client's Document)

Prior to the preparation of the draft report on 10th August,2015 an observation was made based on the examination of the payment vouchers for Sports and Art Development Fund coded under 4420101 Programme Administration(line item 6321), the observation revealed that a separate

cost center or sub-activity code was not recorded on the payment vouchers, classifying the expenditure to a specific sub-activity, thus providing for the accurate generation of the IFMAS reports thereby providing for accounting and accountability and for the stewardship of fund for the Sports and Art Development Fund.

PURCHASE OF EQUIPMENT

An examination of the expenditure voucher register prior to 10th August, 2015 revealed that an amount totaling \$18,041,607 (Refer to Appendix 8) was expended from the Fund for the purchase of equipment. However, only three expenditure vouchers totaling \$9,850,095 was presented.

Two of the vouchers were for musical instruments purchased for the National School of Music at valued of \$9,780,495.

A Cabinet approval was issued by the National Procurement Tender Administration for the award of contract # 2438/14 dated 20/08/2014 to purchase electronic instruments valued at \$6,780,495 and three (3), nine pieces steel ensembles (Steel Bands) valued at \$3,000,000. STORES MANAGEMENT OF EQUIPMENT

Contrary to Sections 18, 20, 24, 27, 35 and 45 of the Stores Regulations made under the Financial Administration and Audit Act Chapter 73:01 No 6 of 1993 dated June 30, 1993,

The goods purchased in 2014, were:-

- (1) <u>Not</u> taken into stores and stores ledgers were <u>not written and or updated</u> and in cases where vouchers were missing, checks could not be made on the receipt of goods purchased in keeping with Sections 18, of the Sores Regulations.
- (2) Strict control procedures were not exercised with regards to the issuing of the equipment from the stores and the respective departments in accordance with Sections 20 of the Stores Regulations.
- (3) Equipment purchased was not subject to proper inventory practices and strict control procedures.

There was <u>no master or departmental inventory</u> for the equipment purchased, in accordance with Sections 24 of the Stores Regulations.

- (4)Transfer of stores were <u>not</u> made in accordance with Sections 27 of the Stores Regulations and
- (5) Items of stores were **not** loaned in accordance with Sections 35 of the Stores Regulations.
- (6) Items Purchased during 2014 were delivered and accounted for at the National School of Music a department of the Ministry and <u>not</u> to the Ministry's main stores located on Main street, Georgetown, in contrary to Sections 45 of the Stores Regulations.

Prior to the date of the Draft report dated 10th August,2015 .An examination of the Stores records revealed that only the electronic instruments with a value of \$6,780,495 were received and accounted for in the stores but the ledgers were not updated. It could not be determined whether the remaining equipment purchased was taken into immediate used.

In the case of the Steel pans valued at \$3,000,000 there were no records in the Stores for the receipt and issuing of the Steel Pans except for the delivery notes presented by the Administrator of the National School of Music for two (2) sets of nine (9) pieces Steel Pan with Drum Sets and Cymbals (Music Equipment) delivered to the Berbice High School and President College respectively. A Signature for an Aeisha Wong, Deputy Head (ag.) was seen on the delivery note for the Berbice High school (when contacted by Phone # 693-9539 confirmed that the items were received, taken into stock and kept in safety) and a signature for a Wayne Melville was seen on the delivery note for the President's College..(effort to contact with Ms. Canterbury the

Principal failed, however contact was made with her Secretary Ms. Julianne Clarke - telephone # 255-3010, mobile #660-3433 who stated that the College was in receipt of the items)

The items could not be physically verified as received and accounted for in the records of named intuitions as at the date of reporting 16th September, 2015.

The other nine piece Steel Pan and Drum Set were reportedly loaned to the New Opportunity Corps (NOC). However, the delivery note and the loan certificate were not presented for audit. A Mark Dover Administrator of the NOC when contacted stated by telephone on the 15 th September, 2015 that the items were received from the National School of Music and was taken into the records of the NOC. However, the receipt of the items was not physically verified as been received and accounted for in the records at the New Opportunity Corps (NOC). The facts above, substantiate that there was a serious breach with regard to the management of Government stores.

Prior to the preparation of the draft report dated 10th August, 2015 checks revealed that items issued to the National Music School were not properly marked as the property of the Ministry of Culture, Youth and Sports.

It should be noted that since the Department of Culture is in breach of section 18, 20 of the Stores Regulations relevant to the receipt and issue of the steel pans purchased at a valued \$3,000,000. And also 24, 27, 35 and 45 with regards to the management of Government Stores, it could be deemed the Ministry did not appropriately maintained the proper system of Stores as prescribed by the Stores Regulations made under the Financial Administration and Audit Act Chapter 73:01 No 6 of 1993 dated June 30, 1993 for the management of Government Stores and property.

It is recommended therefore, that the Permanent Secretary of the Department of Culture, Youth and Sports of the Ministry of Education take the appropriate action provided for under section 40(2) of the said Stores Regulations to investigate and report the matter of the breach, in relation to the Steel bands to the Secretary of the Treasury, and to submit recommendations to remedy the situation which could result in the loss of Government stores, and to take such measures to prevent such recurrence. Copies of the reports should be sent to the Auditor General.

Prior to the preparation of the draft report dated 10th August, 2015. It was observed that balance of the Electronic Instruments valued at \$4,501,125 held in store is being kept under very poor storage conditions, on the concrete floor of the store bound located in the compound of the Ministry on Main Street.

The following shows a list of electrical musical instruments to the value of 4,501,125 still in store.

- All items purchased have since been marked as the property of the Ministry.

COMMENT TO MINISRY'S RESPONSE

The Ministry of Education, Department of Culture Youth and Sports was required to respond to the Draft Report since the 28thAugust, 2015. The late submission of the response which is dated 15thSeptember, 2015 did not afford enough time for further follow up checks to verify those corrected measure which the Ministry claim was taken in its response.

CONTRACTS - 2014

Relevant to the expenditure for 2014, the following were observed prior to the preparation of the draft report dated 10thAugust, 2015 in relation to three contracts:

(1) A contract, No 882 dated the May 26, 2014 for the sum of \$172,000 was awarded under the authority of the Head of Budget Agency for the Cleaning of Compound and clearing of Large

Concrete Garbage Bin at Castellani House. Payment for the contract was made from the Sports and Art Development Fund although there was an approved budgetary Estimates for Castellani House.

- (2) Contract: No 880 dated the 7 November 07, 2014, MTB-52/2014 for repairs to the Eastern Walls, construction of flooring for Storeroom at Castellani House was awarded in the sum of \$996,000 by the Ministry's Tender Board. It was noted that the payments of the contract was made from the Sports and Art Development Fund although there was an approved budgetary Estimates for Castellani House.
- (3) The third contract for the sum of \$349,102 was made from the Sports and Art Development Fund to Massay Security (Guyana) Inc. for Baton Security Services for Castellani House, for October and November 2014. The payment was within the Ministerial limit for contracts, and would have required the authority of the Ministerial Tender Board. Such authority was not indicated on the payment voucher, sub-vouchers or documents in support of the transaction. Nor a contract, to support the payment made to the Security Company.

In addition, forty five (45) payments totaling \$17,948,251 (Refer to Appendix 9) were paid from the Special Project Account # 01626004000, for Sports and Art Development. However, it could not be determined, what amounts were refunded to the Special Project Account for the year ending 31 December, 2014.

It should be noted that the bank balance of the Special Project Account for the period ended 31 December, 2014 was \$70,424,297 while the cash book balance as at that date was \$64,449,450. The account was last reconciled as at 31December, 2014. At the time of reporting the reconciliation was seven months behind.

Similarly, as it was in the case of 2012 and 2013. A system was not put in place and maintained to track the expenditure (payments) made in accordance with Cabinet Approvals. Therefore, the expenditure incurred for 2014 in accordance with cabinet approvals for the same period, could not be verified.

EXPENDITURE FINDINGS - JANUARY - MAY 31, 2015

The Sports and Arts Development Fund expenditure payment voucher register was updated to June, 2015 after the 10 th August, 2015 and reported expenditure totaling \$3,176,372 as at the 31May, 2015.

A breakdown of the expenditure for 2015 is as follows:

Particulars	Amount \$
Expenditures in relation to Cubans Sport Experts	2,062,772
Payment to Regency Suites	1,113,600
Total Expenditure	3,176,372

Prior to the preparation of the draft report dated 10th August, 2015. It was observed, that the Expenditure vouchers recorded in the register as per period and not numbered.

The payment vouchers for 2015 were not submitted for audit although requested at the date of the draft report.

As at the date of finalising the comprehensive report on the 16th September, 2015 a schedule of expenditure was presented at approximately13:15 hours which reported an amounted of \$3,176,372 was expended as at 31 May,2015 from the allocation of \$15,629,785. (Refer to Appendix 13)

The total of seventeen payment vouchers representing the total expenditure of \$2,818,912 was made available. Among these were fifteen payment vouchers with an expense of \$1,696,600 represented expenditure incurred relevant to the two contracted Cuban Sports experts, the other payment voucher represent a payment of \$1,113,600 paid for accommodation with complimentary breakfast for thirty persons for six nights which required the necessary approval from the National Procurement Tender Board. An NPTAB approval was not seen or indicated on the payment voucher.

Three payment vouchers representing expenditure of \$366,460 were still not presented. The accuracy and the validity of the amounts paid could not be determined due to the absence of the unpresented vouchers and the lack of the supporting documentation in support of the payments

Further, Audit checks conducted revealed that a system was not put in place and maintained to track the expenditure. Therefore, it could not be determine what was expended from the fund for 2015 in accordance with cabinet approvals.

As at the 31 May, 2015 the Ministry's Accounting Unit claimed that could not be retrieved exception reports from the IFMAS System.

The Account Analysis Report for the period ending 22 June, 2015 reported the total amount of \$14,352,119 expended under line item 6321, while the Budget detail reported a Current budget of \$17,377,052 for the same period. Similarly as in the case from 2012 to 2014, the expenditure for all sub-activities under programme 2, including the expenses for the sub-activities for the Sports and Art Development Fund, were grouped under activity code 4420101 Programme Administration. , thus making the IFMAS SYSTEM unable to generate separate reports for the various sub- activities of the Ministry, including the Sports and Art Development Fund. As a result the actual expenditure incurred and or associated with the Sports and Art Development Fund at a given time and at the end of the period could not be ascertained.

A Comprehensive Report dated 16 September, 2015 for the Forensic Audit for the period mentioned above was submitted. As a result of new information made available by the Ministry of Education, Department of Culture Youth and Sports between the dates 08/09/2015 and date of the Final Comprehensive Report new findings were revealed.

3. NEW EXPENDITURE FINDINGS REVEALED AS A RESULT OF THE SUBMISSION OF INFORMATION BETWEEN 08/09/2015 AND DATE OF FINAL COMPREHENSIVE REPORT

NEW EXPENDITURE FINDINGS - 2012

The total Expenditure of \$99,706,408 for 2012 was represented by three hundred and ten (310) payment vouchers. However, two hundred and nine (209) payment vouchers representing expenditure in the sum of \$70,114,906 were listed and submitted for audit between 8 September, 2015 and the date of the Final Comprehensive Report. (Refer to Appendix 14)

The submitted list of payment voucher were provided without a breakdown showing what the funds were spent on as per cabinet decision, each voucher had to be therefore examined to determined the expenditure as per submitted voucher, and whether each voucher was accurately classified.

A large percentage of the payment vouchers were not properly completed, for example tender board references were often not indicated, resulting in searches which had to be made for the missing references, and to determine authenticity and details of the award of contracts.

The slow pace in which the documents were supplied, incorrect documentation supplied which often required correction and queries, coupled with poor record keeping and poor management of documents and information which had to be requested repeatedly, which were either not presented on time, or never submitted, could have been systematically prepared by the ministry on a daily and continuous basis to save time and prepare for audit. All added to make the audit very time consuming, frustrating and or very difficult.

A breakdown of the expenditure for the 209 payment vouchers submitted for 2012 is shown below:

Description	Amount \$'000
Wages/Salaries	9,171,594

The total expenditure for 2013 amounted to \$94,203,302 from releases amounting to \$9,953,529. The sum expended was represented by one hundred and twenty payment vouchers, which included two unpresented payment vouchers which totaled \$57,564,793, of which one was for a payment of \$56,714,082 prepared in favour of Industrial Fabrication Inc & Consultancy Services and the other payment of \$850,711 in favour of Innovative Engineering Consultancy Services.

A Bank of Guyana Cheque No. 05-4516557for \$56,714,082 was drawn and held by the Ministry was deposited to the Project Special Bank A/C No. 01626004000 on the 20 May, 2014 on a Bank of Guyana deposit slip No.33-675053 into the Project Special Bank Account No.01626004000 for which a receipt 3H No.574720 D dated 20th May,2014 was received from Project Accounts. The amount being the unexpended balance of the public moneys issued out of the Consolidated Fund, should have been returned and surrendered to the Consolidated Fund at the end of the Fiscal year, 31 December, 2013 as prescribed by Act no. 20 of 2003,Section 43 of the Fiscal management and Accountability Act 2003 assented on 16 December,2003. Section 43 of the Fiscal Management and Accountability Act 2003, require that any unexpended balanced of public moneys issued out of the Consolidated Fund at the end of each fiscal year, be returned and surrendered to the Consolidated Fund at the end of each fiscal year. The deposit of the \$56,714,082 into the Project Special Bank Account is therefore a breach of Section 43 of the Fiscal Management and Accountability Act 2003, Act no. 20 of 2003,

An explanation was not given as to why the unexpended balance of the Public moneys in the sum of \$56,714,082 was not returned and surrendered to the Consolidated Fund at the end of the Fiscal year as at 31December, 2013. And or why the amount of \$56,714,082 was deposited to the Project Special Bank A/C No. 01626004000.

Further, to date 30 November, 2015 the Ministry could not account for the difference of \$850,711 of the amount \$57,564,793 released and expended in 2013 for Industrial Fabrication Inc and Consultancy Services.

Relevant to the reason for the unexpended balance of the Public moneys not returned and surrendered to the Consolidated Fund at the end of the Fiscal year 31December, 2013. An observation made on the 13 November, 2015 substantiates the reason for the breach of Section 43 of the Fiscal management and Accountability Act 2003 assented on 16 December, 2003 and the avoidance of those restrictions imposed in the Government financial regulations. On 12 November, 2015 a payment voucher PV CB 972 for cheque 04-954930 drawn on the 21/08/2015 for the payment of \$125,424 to Antarctic Maintenance for the Repair of one 5-ton duct split A/C unit submitted for The Forensic Audit for the Period 1 January, 2012 to 31 May, 2015 was requested by a staff of the Ministry's Account section, on the return of the payment voucher on the 13 November, 2015, it was observed that a payment was effected to Ms. Sade Barton holder of ID card # 126424563 on the basis of an authorization from the contracting company, for which a receipt No.4835 dated 12 November, 2015 was issued. From observation the Payee signed as receiving the cheque on the 17 October, 2015. An explanation was sought, as to why the receipt was issued on the 12November, 2015 when the payment voucher was the 17 October, 2015. The accountant responsible for the Ministry's accounting section claimed that the payee had mistakenly signed the wrong date and promised to recall the payee to correct the payment voucher. The question was asked why would the Ministry's Accounts Department was not diligent that the payee signed the correct date on the receipt of the payment. An Auditor's note was made on the voucher and the accounting staff of the Ministry was made to initial the note.

With regard to the point made on the reasons why the Audit proved very time consuming frustrating, and difficult. Mention is made to a few issues to substantiate the fact.

On Tuesday 03/11/2015 at approximately 15:40 hours the Ministry presented a list of expenditure payment vouchers amounting to \$49,682,845 paid from the Special Project Fund Bank A/C No. 01626004000 which included the payment of \$5,190,880, \$27, 808,596 to Cummings Electrical Co. for rewiring the Building NCC, Antartic Maintence for Installation of new Air condition unit in 2015 and \$2,560,540 to Antartic Maintence for the repairs to air condition unit in 2014. The total payments of \$35,560,016 for capital works. And the total of \$14,661,929 for Misc. expenses for the preparation for the preparation of the Caribbean Development Bank Conference held at the NCC, which totaled \$50,221,945, leaving a balance of on hand from the amount of \$56.714,082 which was deposited to the Project special bank account

On Wednesday 11/11/2015 at approximately 11.50 am new list was issued cancelling the first. Six payment vouchers were presented representing payments totalling \$36,711,209 and forty one payment vouchers amounting to payments of \$14,246,029. This fact demonstrates some evidence mentioned earlier as to the reason why this audit proved very time consumming.

The Project Special Bank Account No. 01626004000 held at the Bank of Guyana is operated by the Ministry for the receipt of funds from UNICEF, UNFPA, DIGICEL, Republic Bank and The Guyana Lotteries Commission from which related expenses are met. The balance of this account as at 31 December, was \$15.108M while the cash book Balance was \$9.795M.

Included in the total expenditure of \$94,203,302 for 2013 were four capital contracts totalling \$16,219,093 which included the payments of \$364,000 for the Preparation of as built quantities - 1823 Monument for which an MTB award was not seen nor indicated on the payment voucher and other

documents to effect payment. While the payment voucher for the payment \$866,000 for the construction of guard Hut – 1823 Monument was not completed to include the MTB reference. It should be noted that all payment documents should be accurately completed and properly examined prior to effecting payments. Incomplete payment vouchers may lead to financial irregularities and may prove time consuming and frustrating in the search for information relevant to the verification of the accuracy and validity of transactions.

Below is a break down of payments for contracts in 2013:

Misallocation of Fund

It was also observed that there was one instance of misallocation of fund in 2013 where US\$ 2,200 was purchase for payment of honorarium in the sum of \$462,000 to two Argentine Guitarists on a tour to Guyana 25May to 4 June, 2014 from the unspent balance of \$56.714M deposited to Project Special Bank Account on CB568 and reported under expenses incurred for the CDB conference held at the National Cultural Centre. Supporting documents for purchase of the foreign currency were not attached to the payment vouchers . An MTB reference was not indicated on the payment voucher, and MTB award authorizing payment was not seen.

Below are details of the one (1) instances of misallocation of funds in 2013:

5. NEW FINDINGS REVEALED AS A RESULT OF THE SUBMISSION OF INFORMATION BETWEEN 29/10/2015 AND DATE OF FINAL COMPREHENSIVE REPORT – 2014

NEW EXPENDITURE FINDINGS - 2014

There is sufficient evidence that the Ministry continue to inappropriately make unrelated payments from this account. This fact was substantiated by an observation made, where two payment vouchers Nos. 82 & 83 for the payments of the sums of \$300,000 and \$200,000 which totaled \$500,000, paid by cheques No.321593650 and 321593651 on the 16 May,2014, from the Project Special Bank Account cash book, but was recorded by the Ministry in an analysis of payment for 2014, as if made on the 19 May, 2014, although such funds was deposited on the 20May,2014 for the provision of expenses for the Caribbean Development Bank Conference held at the National Cultural from the 27 May to 29 May,2014.

The schedule of expenditure for 2014 reported a total expenditure of \$96,767,479 in conformity with the estimates of the Public Sector for 2014, while the Register recorded the total expenditure of \$99,160,581 showing a difference of \$2,393,102. An explanation was not given for the disparity.

The expenditure of \$99,160,581 for 2014 were represented by two hundred and fifty four (254) payment vouchers. However, one hundred and forty three (143) payment vouchers representing expenditure in the sum of \$34,002,957were listed and submitted for audit between 8 September, 2015 and the date of the Final Comprehensive Report, without a detail analysis of the expenditure, accounting for and classify those expenditure in accordance with the Cabinet decisions.

(Refer to Appendix 16)

In addition, forty three (43) payments totalling \$17,121,569 were made for 2014, which included one payment for \$2,560,540 for the repairs to air condition units at the National Cultural Centre and the purchase of one digital station module to replace the damaged units of the Ministry's PBX (Telephone) system for the sum of \$315,000.

Also included, were forty one other miscelleanous payments totalling \$14,246,029. Bringing the total expenditure for 2014 to \$51,124,526, represented by a total of one hundred and eighty six payment vouchers submitted.

A breakdown of the expenditure of \$51,124,526 for 2014 is shown below.

Relevant to the installation of the new air conditioning units at the National Cultural, provision for the expenditure were made under the Sports and Art Development Fund for the award of a contract. The Ministry made a request to the National Procurement and Tender Administration Board(NPTAB) for the award to the lower of the two bidders in the sum of \$56,714,082. The request was not approved by the NPTAB, although Engineering and Construction Inc. tendered the lower bid which was opened on the 3rd December, 2013. The lower bidder therefore brought an application for a writs of Certiorari and Mandamus in the High Court of the Supreme Court of Judicature Constitutional/Administration on the 13 January, 2014 and upon hearing Attorney - at -Law for the Applicant IT WAS ORDERED that an Order or Rule Nisi directed to then Minister of Culture, Youth and Sports to show cause why a writ of Certiorari should not be issued for the purpose of bringing up to the High Court of the Supreme Court OF Judicature to quash the acceptance of the Minister from accepting tenders from (i) Industrial Fabrication Inc. and (ii) Antarctic Maintenance and Repairs company and or any other entity in relation to the supply and installation of air conditioner units to the National Cultural Centre as the NPTAB was in breach of the Procurement Act No. 8 of 2003 and or has **not** been fair and or transparent AND IT IS FURTHER ORDERED that an Order or Rule Nisi be issued directed to the Minister of Culture, Youth and Sports and or the Chairman of NPTAB to show cause why a writ of Mandamus should not be issued for the purpose of commanding the Chairman of NPTAB to award to the Applicant the contract for which a bid has been submitted to the NPTAB. A sealed and certified copy of an Order Nisi was Ordered Served on the Respondent. IT WAS ORDERED ADJOURED to 30 day of January, 2014 at 11:00am before the Honourable Chief Justice Mr. Ian Chang.

On the 11 July, 2014 the Permanent Secretary of the Ministry of Culture received a letter of <u>Annulment/Retender - Installation of New Conditioning Units -NCC NPTAB No. 3533/2013</u> from the Chairman of the NPTAB informing the Ministry, that the NPTAB supported the request of the Ministry to annul the bidding process and advised that the NPTAB has granted approval for the of the project using the National Competitive Bidding Process

On 25 November, 2014 NPTAB awarded a contract for the installation of air conditioning units to Antarctic Maintenance & Repairs in the sum of \$63.260M, to one of the Companies named in the Order or Rule Nisi on the 30 day of January,2014 which directed both the Minister of Culture and the Chairman of the NPTAB to show cause why a writ of Certiorari should not be issued for the purpose of bringing up to the High Court of the Supreme Court OF Judicature to quash the acceptance of the Minister from accepting tenders from (i)Industrial Fabrication Inc. and (ii) Antarctic Maintenance and Repairs company and or any other entity in relation to the supply and installation of air conditioner units to the National Cultural Centre.

As at the date of the Final Comprehensive Report, the total expenditure from 1 January to August, 2015 amount to \$5,624,973 paid from the allocation of funds under the Sports and Arts Development funds in 2015

In additional, the sum of \$33,835,669 was spent as at 21August, 2015 from the unexpended balance of \$56,714,082 withdrawn as at 31December, 2013 and deposited to Project Special Bank Account No.01626004000 on the 20 May, 2014.

The additional expenditure paid from the Project Special Bank Account included four payments. Two payments for the sum of \$5,901,649 were for the rewiring of the entire building of the National Cultural Centre on the Practical Completion Certificate for which the sum of \$5,190,880 was paid on the 04/03/2015. And the Final Completion Payment Certificate for the rewiring of entire building of the National Cultural Centre for the sum of \$710,769 paid on 21/05/2015. The other two payments were paid the sum totaling \$27,934,020. Which included the sum of \$27,808,596 paid by cheque No.1204954688 on the 15 July, 2015 for the Supply and Installation of five (5) new 25 ton 460 volts 3 phase 60 Hz split system air conditioning units and the sum of \$125,424 paid on 21/05/2015 for the repairs to one five ton ducted split unit. Antarctic Maintenance & Repairs was supervised by Innovative Engineering Consultancy.

In Addition, \$17,121,569 were paid in 2014, which included the amounts \$2,560,540 paid to Antarctic Maintenance for an increase in the contract price by the same amount, and the expenditure of \$315,000 being the purchase of the digital station module for the Ministry's damaged PBX system, totalled \$2,875,540, and the sum of \$14,246,029 which included \$12,145,247 for payments on contracts executed and paid in preparation for The Caribbean Development Bank Conference held at the National Cultural Centre in May 2014.

As at time of the Final Comprehensive report in December, 2015, the sum of \$50,957,844 was expended from the total of \$56,714,082 which was deposited to the Project Special Bank on 20 May, 2014, leaving an unexpended balance of \$5,756,844.

Para 336, page 159 of the Auditor General's report for the year ended 2014 only reported an award of contract for the installation of the Installation of Air Conditioning units in the sum of \$63.260M at the National Cultural Centre by the NPTAB and the payment of the sum of \$27.809M paid for the installation of five 25 ton 460 volts, 3phase 60Hzsplit system air condition units as at 15 July, 2015.

The report did not include information in relation to the award of the contract by the NPTAB, the contractor paid, the basis of the award based on the report of the evaluation committee, nor the issues included in an Order or Rule Nisi directed to the Minister of Culture, Youth and Sports by the High Court of the Supreme Court OF Judicature on the 30thJanuary,2014 to show cause why a writ of Certiorari should not be issued for the purpose of bringing up to the High Court of the Supreme Court OF Judicature to quash the acceptance of the Minister from accepting tenders from (i) Industrial Fabrication Inc. and (ii) Antarctic Maintenance and Repairs company and or any other entity in relation to the supply and installation of air conditioner units to the National Cultural Centre, as the NPTAB was in breach of the Procurement Act No. 8 of 2003 and or has **not** been fair and or transparent.

As at the date of the Final Comprehensive report in December, 2015, the sum of \$50,957,844 was expended from the total of \$56,714,082 which was deposited to the Project Special Bank on 20 May, 2014, leaving an unspent balance of \$5,756,844 in the Project Special Bank Account. On the 16th December, 2015 The Ministry submitted a drafted reconciliation statement as at 31stDecember, 2014 of the Project Special Bank Account.

As at the date of the Final Comprehensive Report, the total expenditure from 1 January to August, 2015 recorded in the payment voucher register was \$5,624,973.

CONCLUSION

It should be noted clearly, from the observations made and reported above, that there is enough evidence to substantiate, that the Ministry appeared not only to have fluted the ruling of the Honourable Chief Justice, Ian Chang of the High Court of the Supreme Court of the Judicature of an Order or Rule Nisi and mandamus No:2014-HC-DEM-CIV-CM-7 Ref: 21869 dated the 30th Day of January 2014 and continued to breach the Fiscal Management and Accountability Act No. 20 of 2003 and the financial regulations of Guyana, but failed to maintain critical accounting records, along with the establishment and maintenance of a reliable internal control structure to supports the administration of the Fund. Coupled with its inability to manage its records, the Ministry also failed to account and/ or to provide for a proper degree of accountability for the stewardship of fund for the period under review 1 January, 2012 to 31May, 2015 and therefore, did not provide a reliable basis to report that there was transparency and accountability.

RECOMMENDATION

The Ministry should make every effort to put systems in place to ensure that the relevant financial records (Registers, vouchers, cabinet decisions, analysis and schedules of expenditure etc) are kept and maintained in accordance with standard accounting practice and procedures and in keeping with such regulation specified by those regulations and circulars of the Government of Guyana, also to ensure that such records are properly managed and presented in such order and timeliness to facilitate swift and précised retrieval for users and for the purposes of proper accounting and accountability.

The Ministry should ensure that all payments and or the payments of contract is properly authorised in accordance with the Procurement Act of 2003 (No. 8 of 2003 page 707-708) and that all such authority for payment is exhibit on the expenditure payment vouchers and supporting documents, as is the requirement for all payment made.

It should be noted that since the Department of Culture is in breach of section 18, 20 of the Stores Regulations relevant to the receipt and issue of the steel pans purchased at a valued \$3,000,000 which resulted in the items not been properly accounted for.

It is recommended that the Permanent Secretary of the Department of Culture, Youth and Sports of the Ministry of Education take the appropriate action provided for under section 40(2) of the Stores Regulations to investigate and report the matter of the breach, in relation to the Steel bands to the Secretary of Finance, and to submit recommendations to remedy the situation which if not remedied could in the future result in the loss of Government stores, and to take such measures to prevent such recurrence.

Copies of the reports should be sent to the Auditor General.

It is also recommended that the Ministry put systems in place to ensure that all accounting transactions are properly recorded in accordance with standard accounting procedures, circulars and Financial Regulations provided for by the Government of Guyana.

In addition, separate sub-activity codes should be implemented for each sub-activity under each Programme for Agency 44, and the expenditure of each sub- activity should be classified under a correct, specified sub-activity code, to allow for proper and separate accounting for expenditure and budget releases, and for the generation of separate exception reports for each sub-activity at any given time.

Further, systems should be implemented and maintained to track expenditure (payments) made in accordance with Cabinet Approvals. And to ensure that accurate record is maintained and expenditure incurred is accounted for in accordance with approved Funds.

GENERAL

I would like to express my gratitude for the co-operation given during the course of the audit by the staff of the Ministry of Education, Department of Culture, Youth and Sports and the Minister within the Ministry of Finance.

With best regards.

Yours sincerely,

LESTER BOWEN FORENSIC AUDITOR

The amount totalling \$18,041607 represented payments made from Sports and Art Development Fund for equipments. However, only three expenditure vouchers for the total expenditure amounting to \$9,850,095 was presented for Audit srutiny. Two of which, represented the purchases of musical instruments for the National School of Music valued at \$9,780,495. These included electronic instrument valued \$6,780,495 and three nine pieces steel ensambles (steel Bands) valued at \$3,000,000. It is to be noted that only the electronical instruments to the value of \$6,780,495 were received and accounted for at stores. Audit Checks also revealed, that a master and departmental inventory for the total purchases were not maintained. and the receipt and the issue of the purchases were were not recorded in the stores ledgers.

In the case of the Steel pans purchased at the valued of \$3,00,000, there were no records at the stores to account that the instruments were received and issued, with the exception of the delivery notes for two (2) nine piece steel ensamble with one drum set each, which was delivered to the Berbice High School and President College respectively. The other nine piece steel ban with one drum set and one drum cymbals were reportedly issued to The New Opportunity Corps, however, documents to account for the the issue was not presented.

A physical check was also conducted on the equipment for which payment vouchers were presented, to verified that the items purchased were accounted for and was safeguarded. The check revealed that items issued to the National Music School were not properly marked as the propertry of the Minstry of Culture, Youth and Sports. Also as shows below, is a list of electrical musical instruments still in stock (not issued), and stored under very poor storage condition, on the concrete floor of a storage bond at the Main Street location.
