EXPLANATORY MEMORANDUM

This Bill seeks to amend the Fiscal Management and Accountability Act, Cap. 73:02, (i) to extend the application of the Act to the responsible Minister and (ii) to establish the financial independence of certain Constitutional entities, including Service Commissions principally, to specifically allow for lump sum payments to be made to these Agencies and to free them from the automatic obligations of Budgetary Agencies and the discretionary powers exercised by the Minister of Finance over Budgetary Agencies, which obligations compromise their independence which they are intended to have as contemplated by the Constitution.

The Bill also seeks to amend the Schedule to the Fiscal Management and Accountability Act to ensure its consistency with the spirit and letter of the Constitution with regard to the independence of the listed entities and the relevant motions adopted by the National Assembly (Resolution No 11 of 2012) with regard to the financial autonomy of the above-mentioned Constitutional entities.
